**The Line** Jan 23 2022 Feeling stuck creatively, or just missing your spark? Try The Line—perfect for creators, or anyone looking for an adventure From the revolutionary mind of Wreck This Journal author Keri Smith comes an encouraging guide to discovering and trusting your inner voice, all through the guise of making a simple line. As you move through the pages of this book, you'll be asked to start a line, and then to take it through a series of increasingly interesting and meaningful adventures, from letting your line meander or jump around the pages, to using it to help you explore your past, make decisions, and discover the good in your world. A deceptively simple

journey, you'll discover that with your one original line, you have the power to transform the world. "Keri Smith may well be the self-help guru this DIY generation deserves." —The Believer

**Lontano dal romanzo** Jul 29 2022

**Italy and the Bourgeoisie** Mar 25 2022 The Italian bourgeoisie appear to be living through a period of self-evaluation. This collection examines what is "essentially Italian" in the development of the bourgeoisie, starting with the role of the individual in post-unification Italy. Members of the bourgeoisie were Italy's ruling class while the country underwent drastic political, economic, and social transformations during major historical eras and events, such as the two World Wars, the Fascist ventennio, the colonial enterprises of the Mussolini regime, the Racial Laws and the Holocaust, and domestic terrorism. The role of the bourgeoisie as indicator, inspiration, and conscience in current pop and high culture is also examined.

**Something is Wrong at My House** Aug 18 2021 A young boy describes the frequent fights his parents have, explains how they make him feel scared and confused, and tells what he does to make himself feel better.

**Tra-Due. L'immaginazione cinematografica dell'evento d'amore** Jul 25 2019 Le uniche immagini dell'amore che la contemporaneità ci riconsegna sembrano andare dall'oscenità di certe trasmissioni televisive, a film come *Parlami d'amore*, alla pornografia imperante. Allora, ciò che si dicono i due amici nel film *J'entends plus la guitare* (1993) di Garrel, cioè che "siamo l'ultima generazione a parlare d'amore", rischia di essere vero. Il cinema ha avuto nel Novecento un ruolo importante nel raccontare l'amore, rappresentando con i generi classici le forme dell'amore-passione e dell'amore-relazione, e con la modernità è stato capace di presentare e nominare l'amore come evento. Questo saggio, partendo dall'individuazione dei caratteri che definiscono l'evento d'amore, attraversa alcuni film che hanno costruito un'immagine in rilievo dell'incontro amoroso: da *Viaggio in Italia* a *Un'estate d'amore*, da *Questa è la mia vita* a *Gertrud*, da *La naissance de l'amour* a *Heimat 3*, per giungere ad alcuni esempi contemporanei nei quali l'amore si presenta come impossibilità, incapacità o deriva pornografica: *Lost in translation*, *In the mood for love*, *Il gusto dell'anguria*.

*Bruce Springsteen. Come un killer sotto il sole. Il grande romanzo americano (1972-2011). Testo inglese a fronte* Aug 30 2022

*A Multitude of Women* Jun 27 2022 *A Multitude of Women* looks at the ways in which both Italian literary tradition and external influences have assisted Italian women writers in rethinking the theoretical and aesthetic ties between author, text, and readership in the construction of the novel. Stefania Lucamante discusses the valuable contributions that Italian women writers have made to the contemporary novel and illustrates the relevance of the novelistic examples set by their predecessors. She addresses various discursive communities, reading works by Di Lascia, Ferrante, Vinci, and others with reference to intertextuality and the theories of Elsa Morante and Simone de Beauvoir. This study identifies a positive deviation from literary and

ideological orthodoxy, a deviation that helps give meaning to the Italian novel and to transform the traditional notion of the canon in Italian literature. Lucamante argues that this is partly due to the merits of women writers and their ability to eschew obsolete patterns in narrative while favouring forms that are more attuned to the ever-changing needs of society. She shows that contemporary novels by women authors mirror a shift from previous trends in which the need for female emancipation interfered with the actual literary and aesthetic significance of the novel. *A Multitude of Women* offers a new epistemology of the novel and will appeal to those interested in women's writing, readership, Italian studies, and literary studies in general.

**L'egemonia del romanzo** May 27 2022 Il saggio che dà il titolo al volume propone tre temi di respiro molto ampio. Il primo ripercorre le tappe attraverso le quali la prosa si è definitivamente imposta al centro della vita letteraria italiana contestando il tradizionale primato del linguaggio poetico. Il secondo è l'abbozzo di una descrizione sistemica dei generi narrativi, utile per capirne le diverse funzioni nei processi di scrittura e lettura che strutturano l'immaginario collettivo. Il terzo afferma il principio secondo cui nella civiltà moderna la critica non può prendere in considerazione solo le opere destinate a un pubblico di élite, ma deve concentrarsi anche su quelle rivolte a lettori meno esperti ed esigenti. Completano il volume una serie di scritti monografici dedicati all'analisi di singoli romanzi, da Vittorini a Fenoglio, da Carlo Levi a Bassani e Morante.

**Hot line** Sep 30 2022 "George Washington Caucaman, detective de origen mapuche y gatillo ligero, fue destinado al servicio rural porque -como le dijo su superior- un indio mapuche en Chile es como un negro en Alabama y siempre es mejor tenerlo confiado en la Patagonia. Pero todo eso cambia cuando Caucaman encuentra robando ganado a un grupo de cuatreros (en realidad, milicios) y le dispara un tiro muy feo al cabecilla que resulta ser el hijo del general."

**La letteratura pulp in Italia** Nov 01 2022 L'analisi del fenomeno della letteratura pulp in Italia, il significato della parola, gli autori ed i libri più importanti, gli interventi della critica su questo nuovo caso letterario-mediatico

**The Line Tender** Jun 15 2021 Funny, poignant, and deeply moving, *The Line Tender* is a story of nature's enduring mystery and a girl determined to find meaning and connection within it. Wherever the sharks led, Lucy Everhart's marine-biologist mother was sure to follow. In fact, she was on a boat far off the coast of Massachusetts, collecting shark data when she died suddenly. Lucy was seven. Since then Lucy and her father have kept their heads above water--thanks in large part to a few close friends and neighbors. But June of her twelfth summer brings more than the end of school and a heat wave to sleepy Rockport. On one steamy day, the tide brings a great white--and then another tragedy, cutting short a friendship everyone insists was "meaningful" but no one can tell Lucy what it all meant. To survive the fresh wave of grief, Lucy must grab the line that connects her depressed father, a stubborn fisherman, and a curious old widower to her mother's unfinished research on the Great White's return to Cape Cod. If Lucy can find a way to help this unlikely quartet follow the sharks her mother loved,

she'll finally be able to look beyond what she's lost and toward what's left to be discovered. ?"Confidently voiced."—Kirkus Reviews, starred ?"Richly layered."—Publishers Weekly, starred ?"A hopeful path forward."—Booklist, starred ?"Life-affirming."—BCCB, starred ?"Big-hearted." —Bookpage, starred ?"Will appeal to just about everyone." – SLC, starred ?"Exquisitely, beautifully real."—Shelf Awareness, starred

The Linux Command Line Nov 08 2020 You've experienced the shiny, point-and-click surface of your Linux computer—now dive below and explore its depths with the power of the command line. The Linux Command Line takes you from your very first terminal keystrokes to writing full programs in Bash, the most popular Linux shell. Along the way you'll learn the timeless skills handed down by generations of gray-bearded, mouse-shunning gurus: file navigation, environment configuration, command chaining, pattern matching with regular expressions, and more. In addition to that practical knowledge, author William Shotts reveals the philosophy behind these tools and the rich heritage that your desktop Linux machine has inherited from Unix supercomputers of yore. As you make your way through the book's short, easily-digestible chapters, you'll learn how to: \* Create and delete files, directories, and symlinks \* Administer your system, including networking, package installation, and process management \* Use standard input and output, redirection, and pipelines \* Edit files with Vi, the world's most popular text editor \* Write shell scripts to automate

common or boring tasks \* Slice and dice text files with cut, paste, grep, patch, and sed  
Once you overcome your initial "shell shock," you'll find that the command line is a natural and expressive way to communicate with your computer. Just don't be surprised if your mouse starts to gather dust. A featured resource in the Linux Foundation's "Evolution of a SysAdmin"

**Gone Girl** Jun 23 2019 On a warm summer morning in North Carthage, Missouri, it is Nick and Amy Dunne's fifth wedding anniversary. Presents are being wrapped and plans are being made when Nick's clever and beautiful wife disappears. As the police begin to investigate, the town golden boy parades a series of lies, deceits, and inappropriate behavior. Nick is oddly evasive, and he's definitely bitter - but is he really a killer?

La rivoluzione di Arturo Dec 10 2020 Capita a volte di incappare in una giornata no. Tuttavia, quello che succede ad Arturo Baldini, protagonista di questo romanzo, va decisamente oltre. Nonostante sia un impiegato modello, religiosamente dedito al lavoro, viene all'improvviso licenziato dal commendator Spacconi. Del resto, c'è la crisi. Al rientro a casa scopre che la moglie Camilla lo ha lasciato per Raniero, il suo datore di lavoro, congedandosi con uno squallido biglietto. Piombato in un incubo, accetta - lui che ha studiato alla Bocconi - il lavoro offertogli dall'agenzia Dreaming a Job: guardiano notturno in un deposito di alimentari. Inaspettatamente, quando le porte della notte si spalancheranno, Arturo sarà catapultato in una sorta di realtà parallela in cui, fra corsi di cinese online, narcotrafficienti, tossici e magnaccia, si troverà a vestire i panni del supereroe, divenendo ben presto l'idolo di suo figlio Matteo. Arturo sembra dunque essersi risollevato, quando l'ennesima batosta lo porterà a gesta clamorose e imprevedibili... In un susseguirsi di situazioni comiche e grottesche, tra Marvel e Fantozzi ma con il ritmo e la sagacia della miglior tradizione romagnola, un romanzo di formazione sui generis, uno sguardo dissacrante sulle disgrazie del nostro tempo, una storia piccola ma verosimile, particolare ma dal sapore universale.
