Asian Children's Literature and Film in a Global Age Sep 13 2021 This volume provides a key analysis of Asian children's literature and film and creates a dialogue between East and West and between the cultures from which they emerge, within the complex symbiosis of their local, national and transnational frameworks. In terms of location and content the book embraces a broad scope, including contributions related to the Asian-American diaspora, China, India, Indonesia, Iran, Japan, Malaysia, the Philippines, South Korea, Sri Lanka, and Taiwan. Individually and collectively, these essays broach crucial questions: What elements of Asian literature and film make them distinctive, both within their own specific culture and within the broader Asian area? What aspects link them to these genres in other parts of the world? How have they represented and shaped the societies and cultures they inhabit? What moral codes do they address, underpin, or contest? The volume provides further insight into the increasingly diverse and fascinating output of the region and emphasises the importance of Asian art forms as depictions of specific cultures but also of their connection to broader themes in children's texts, and scholarship within this field.

Frank Capra Feb 06 2021 Moviegoers often assume Frank Capra's life resembled his beloved films (such as Mr. Smith Goes to Washington and It's a Wonderful Life). A man of the people faces tremendous odds and, by doing the right thing, triumphs! But as Joseph McBride reveals in this meticulously researched, definitive biography, the reality was far more complex, a true American tragedy. Using newly declassified U.S. government documents about Capra's response to being considered a possible "subversive" during the post-World War II Red Scare, McBride adds a final chapter to his unforgettable portrait of the man who gave us *It Happened One Night*, *Mr. Deeds Goes to Town*, and *Meet John Doe*.

Caddyshack Mar 19 2022 "More fun to read than the movie was to watch... a scene-stealing book." — *The Washington Post* An Entertainment Weekly "Must List" selection *Caddyshack* is one of the most beloved comedies of all time, a classic snobs vs. slobs story of working class kids and the white collar buffoons that make them haul their golf bags in the hot summer sun. It has sex, drugs and one very memorable candy bar, but the movie we all know and love didn't start out that way, and everyone who made it certainly didn't have the word "classic" in mind as the cameras were rolling. In *Caddyshack: The Making of a Hollywood Cinderella Story* film critic for Entertainment Weekly Chris Nashawaty goes behind the scenes of the iconic film, chronicling the rise of comedy's greatest deranged minds as they form *The National Lampoon*, turn the entertainment industry on its head, and ultimately blow up both a golf course and popular culture as we know it. *Caddyshack* is at once an eye-opening narrative about one of the most interesting, surreal, and dramatic film productions there's ever been, and a rich portrait of the biggest, and most revolutionary names in Hollywood. So, it's got that going for it...which is nice.

Chinese Cinderella Nov 15 2021 More than 800,000 copies in print! From the author of critically acclaimed and bestselling memoir *Falling Leaves*, this is a poignant and moving true account of her childhood, growing up as an unloved daughter in 1940s China. The Jack Benny Program Radio Scripts, 1932–1936, Volume 2 Jan 05 2021 In Volume Two of Jack Benny's Lost Broadcasts, (25 episodes from August 1 to October 26, 1932), Benny and scriptwriter Harry Conn continue to craft a personality-based radio variety program. They draw on Benny's vaudeville style and explore new constructions of comedy characters and situations. Benny and Conn develop quirky-yet-likeable identities for the major performers — "Broadway Romeo" Jack, tightwad band leader George Olsen, sultry vocalist Ethel Shutta and flighty young fan Mary Livingstone from Plainfield, New Jersey. The cast bounces jokes, reactions and bad puns off each other. This series features experiments — several political skits, a serious romance for Jack and Mary, and the program's first film parody — then ends with a sudden twist. Highlights of Volume Two include: "Nickel Back on the Bottle" becomes a nationally popular catch phrase Mary's first Labor Day poem Jack provides running commentary of a prize fight between "Batting Herbert Hoover" and "Fighting Franklin Roosevelt" The cast performs their first parody of a popular movie, in "Grind Hotel" These 25 hilarious radio scripts offer Jack Benny at his early creative best. Kathryn Fuller-Seeley is the author of *Jack Benny and the Golden Age of Radio Comedy* (2017) and books on early motion pictures and nickelodeon audiences. She teaches media history of the University of Texas at Austin.

Grimms' Tales around the Globe Jul 23 2022 Grimms' fairy tales are among the best-known stories in the world, but the way they have been introduced into and interpreted by cultures across the globe has varied enormously. In *Grimms' Tales around the Globe*, editors Vanessa Joosen and Gillian Lathey bring together scholars from Asia, Europe, and North and Latin America to investigate the international reception of the Grimms' tales. The essays in this volume offer insights into the social and literary role of the tales in a number of countries and languages, finding aspects that are internationally constant as well as locally particular. In the first section, Cultural Resistance and Assimilation, contributors consider the global history of the reception of the Grimms' tales in a range of cultures. In these eight chapters, scholars explore how cunning translators and daring publishers around the world reshaped and rewrote the tales, incorporating them into existing fairy-tale traditions, inspiring new writings, and often introducing new uncertainties of meaning into the already ambiguous stories. Contributors in the second part, Reframings, Paratexts, and Multimedia Translations, shed light on how the Grimms' tales were affected by intermedial adaptation when traveling abroad. These six chapters focus on illustrations, manga, and film and television adaptations. In all, contributors take a wide view of the tales' history in a range of locales—including Poland, China, Croatia, India, Japan, and France. Grimms' Tales around the Globe shows that the tales, with their paradox between the universal and the local and their long and world-spanning translation history, form a unique and exciting corpus for the study of reception. Fairy-tale and folklore scholars as well as readers interested in literary history and translation will appreciate this enlightening volume.

Cinderella Man Aug 24 2022 Set in New York in the Depression, this is the story of Jim Braddock, who takes up boxing to make money to feed his family, and eventually goes up against champ Max Baer, notorious for having killed two men in the ring. James J. Braddock, born in New York City, was known locally for his thunderous right hand and successful amateur boxing career. After turning professional, he defeated foe after foe, and his rapid rise from obscurity earned him the nickname, the Cinderella Man. He was given a shot at the world light heavyweight title against champion Tommy Loughran in 1929, but lost in a 15-round decision. Following that defeat and the stock market crash of 1929, Jim Braddock struggled to win fights and provide for his young family. Eventually Jim's luck turned. In 1934 he had upset wins against Corn Griffin and John Henry Lewis. With these two wins, Braddock set himself up for another shot at the world title — against heavyweight champion, Max Baer. On 13 June 1935, as a 10 to 1 underdog, Jim took the world title from Max Baer in what was described as, "the greatest fistc upset since the defeat of John L. Sullivan by Jim Corbett". Braddock would lose his heavyweight title two years later in an eight-round KO to "The Brown Bomber", Joe Louis. Jim was inducted into the Ring Boxing Hall of Fame in 1964, the Hudson County Hall of Fame in 1991 and the International Boxing Hall of Fame in 2001.

Where the Bones Rest Jun 29 2020 The Black Hawk War was the last military conflict fought east of the Mississippi River between a Native American nation and the United States of America. In 1832, a cobbled force of U.S. Army Regulars, Illinois Militia, and some rogue fighters from the Wisconsin area pursued and attacked a band of fifteen hundred Sauk and Kickapoo people who crossed to the east side of the Mississippi to return to their summer homes and plant their fields, despite warnings that they should never return again. The Sauk people were led by Black Sparrow Hawk, an old warrior who refused to give in to the white settlers and their armies. Among the Sauk people was a young mother, Namesa, who watched her nation fall apart under the power of the United States. She and her newborn baby struggled through the war, trying to survive. Rachel Hall was a teenage farm girl on the Illinois frontier. Her family was attacked in a raid and she was held hostage, with her sister, at the wandering camp of Black Sparrow Hawk. Dr. Addison Philleo was a physician and a newspaper editor. He marched away to war and wrote dispatches that were published throughout the nation and in Europe. Rich with historical references to the Sauk culture, *Where the Bones Rest* tells the stories of these three people, and the fateful summer that became known as the Black Hawk War.

Channeling Wonder Nov 22 2019 Television has long been a familiar vehicle for fairy tales and is, in some ways, an ideal medium for the genre. Both more mundane and more wondrous than cinema, TV magically captures sounds and images that float through the air to bring them into homes, schools, and workplaces. Even apparently realistic forms, like the nightly news, routinely employ discourses of "once upon a time," "happily ever after," and "a Cinderella story." In *Channeling Wonder: Fairy Tales on Television*, Pauline Greenhill and Jill Terry Rudy offer contributions that invite readers to consider what happens when fairy tale, a narrative genre that revels in variation, joins the flow of television experience. Looking in detail at programs from Canada, France, Italy, Japan, the UK, and the U.S., this volume's twenty-three international contributors demonstrate the wide range of fairy tales that make their way into television forms. The writers look at fairy-tale adaptations in musicals like *Rodgers and Hammerstein's Cinderella*, anthologies like *Jim Henson's The Storyteller*, made-for-TV movies like *Snow White: A Tale of Terror*, *Bluebeard*, and *The Red Riding Trilogy*, and drama series like *Grimm* and *Once Upon a Time*. Contributors also explore more unexpected representations in the Carosello commercial series, the children's show *Super Why!*, the anime series *Revolutionary Girl Utena*, and the live-action dramas *Train Man* and *Rich Man Poor Woman*. In addition, they consider how elements from familiar tales, including "Hansel and Gretel," "Little Red Riding Hood," "Beauty and the Beast," "Snow White," and "Cinderella" appear in the long arc series *Merlin*, *Buffy the Vampire Slayer*, and *Dollhouse*, and in a range of television formats including variety shows, situation comedies, and reality TV. *Channeling Wonder* demonstrates that fairy tales remain ubiquitous on TV, allowing for variations but still resonating with the wonder tale's familiarity. Scholars of cultural studies, fairy-tale studies, folklore, and television studies will enjoy this first-of-its-kind volume.

Women and the Family May 09 2021 Despite the pervasive changes that have taken place in women's lives in the past twenty-five years—increased participation in the labor force, the attainment of higher levels of education, and higher salaries—comparable changes in the division of family labor and in the roles of men have lagged considerably. In this timely book, the editors and other experts in feminism and family studies examine the effects of two decades of influence by the women's movement on sex roles and child rearing. While applauding some positive changes, the contributors point to powerful forces of resistance to equality between the sexes, especially "the question of family"—the fear of depriving children of maternal attachment and the belief that working mothers are placing their own interests above those of other family members—as an issue that, until fully addressed, prevents genuine equality between the sexes.

Transposing Broadway Feb 24 2020 Over the last hundred years, musical theatre artists - from Berlin to Rodgers and Hammerstein to Sondheim - have developed a form that corresponds directly to the Americanization of the increasingly Jewish New York audience; and that audience's aspirations and concerns have played out in the shows themselves. Musicals thus became a paradigm which instructed newcomers in how to assimilate while correspondingly envisioning "American Dream" America as democratic and inclusive. Broadway musicals still continue to function today as "cultural Ellis Islands" for fringe populations seeking acceptance into the nation's mainstream - including women, blacks, Latinos, and gays - all essentially modeled upon the Jewish experience. Stuart J. Hecht offers a fascinating examination of the relationship between Jews, assimilation, and the changing face of the American musical.

Popular Cinemas in East Central Europe Jan 25 2020 The continued interest in the social and cultural life of the former Warsaw pact countries—looking at but also beyond their socialist pasts—encompasses a desire to know more about their national cinemas. Yet, despite the increasing consumption of films from these countries—via DVD, VOD platforms and other alternative channels—there is a lack of comprehensive information on this key aspect of visual culture. This important book rectifies the glaring gap and provides both a history and a contemporary account of East Central European cinema in the pre-WW2, socialist, and post-socialist periods. Demonstrating how at different historical moments popular cinema fulfilled various roles, for example in the capacity of nation-building, and adapted to the changing markets of a morphing political landscape, chapters bring together experts in the field for the definitive analysis of mainstream cinema in the region. Celebrating the unique contribution of films from Hungary, the Czech Republic/Czechoslovakia and Poland, from the award-winning *Cosy Dens* to cult favourite *Lemonade Joe*, and from 1960s Polish Westerns to Hollywood-influenced Hungarian movies, the book addresses the major themes of popular cinema. By looking closely at genre, stardom, cinema exhibition, production strategies and the relationship between the popular and the national, it charts the remarkable evolution and transformation of popular cinema over time.
