**Shaken or Stirred** Feb 20 2022 The only girl in a house of boys, Julia Martini worked extra hard to get noticed. That has made her business-minded and driven, and she's determined to turn her family's struggling bar around. Simple. All she has to do is remodel, re-staff, and rebrand the place, work insane hours and ignore the sexy blonde who comes in to...she's flirting, right? 'Cause Julia's rusty and has zero time for dating, even if their chemistry is off-the-charts steamy. Savannah McNally's needs always come last. A caretaker by trade, she also takes care of her widowed dad, her brother, her sister, and everybody else on the planet, it seems. When her dad finally starts dating, Savannah can focus on her own life for once—her career, her house, maybe even that super-hot bartender at Martini's who has her thinking naughty thoughts. When family feuds are exposed and a popular blog trashes the bar, the weight of business decisions, family loyalty, and life in general may outweigh their attraction that could lead to more.

*Stirring the Pot* Nov 07 2020 NEW YORK TIMES BESTSELLER The View host and New York Times bestselling author Jenny McCarthy is like your favorite friend: honest, open, and oh-so-funny. She also speaks her mind and says what the rest of us

are thinking, a characteristic that has won her millions of fans no matter how much she “stirs the pot.” Combining the secrets of her hard-won wisdom, witty observations, revealing notes to herself (including ridiculously wishful wish lists), and tales of both her best and most embarrassing moments, *Stirring the Pot* is McCarthy’s recipe for getting what you want out of life. From her wacky experiences in show business to her screwball forays into healing “therapies,” from her frontline reporting of single motherhood in midlife to a goofy attempt to reclaim her last name from Joe McCarthy, here are outrageous musings from the roller coaster life of everyone’s favorite professional blonde. With a winning mix of storytelling, sisterly advice, sex appeal, and self-deprecation, *Stirring the Pot* shows us how a pinch of conviction (aka hardheadedness), a dollop of flexibility (being okay with Plan B or even C), and endless faith (in yourself, in your wildest fantasies, and in the general goodness of others) can mix to create the life of your dreams. Advance praise for *Stirring the Pot* “Whether she’s talking about work or play, family or friendships, her sex life or the lack of it, Jenny McCarthy never fails to make me laugh out loud. Who knew she could dish out advice so well, too?”—Andy Cohen, host of Bravo’s *Watch What Happens Live*

Davina reluctantly settles into her new life, but as recollections of her youth begin to emerge she finds that links to her past are rekindling dangerous emotions... A stirring 18th-Century romance, perfect for fans of Linda Finlay and Gloria Cook.

**A Stir of Echoes** Sep 25 2019 Much has been stated about poetry. "Poetry is what in a poem makes you laugh, cry, prickle, be silent, makes your toe nails twinkle, makes you want to do this or that or nothing, makes you know that you are alone in the unknown world, that your bliss and suffering is forever shared and forever all your own." Dylan Thomas "Poetry can be dangerous, especially beautiful poetry, because it gives the

illusion of having had the experience without actually going through it." Rumi "Poetry is an echo, asking a shadow to dance." Carl Sandburg "Poetry is a word-fed spring flowing from the consciousness of the poet's mind." Régis Auffray With "A Stir of Echoes" it is the author's hope that the reader will be able to appreciate and perhaps to identify with the various situations, dilemmas, conflicts, miseries, euphoria, etc. that are expressed and consequently shared through his verses. The verses offer a glimpse into the author's soul and thus a way to get to know him more intimately.

As much as I want to keep my distance, I can't break his heart. Lines become blurred, and fighting our attraction becomes nearly impossible. Even though we know it's wrong, desire doesn't always fade away. As soon as we cross that line, nothing will be the same and everything will fall apart. And it does.

A Romance of Two Worlds Dec 09 2020 "A Romance of Two Worlds starts with a young heroine, in first person, telling her story of a debilitating illness that includes depression and thoughts of suicide. Her doctor is unable to help her and sends her off

on a holiday where she meets a mystical character by the name of Raffello Cellini, a famous Italian artist. Cellini offers her a strange potion which immediately puts her into a tranquil slumber, in which she experiences divine visions. Upon waking, she craves more. Later, she meets her unnamed guardian angel, who whisks her through infinite solar systems faster than a shooting star while human spirits fly by like gossamer silk. He shares the truth of religion and the secret of human destiny, but still she longs for more. She comes to understand God as pure light and pure love, but it is not enough that she should see and hear these things from the touch of an angel. She wants to master this ability on her own and seeks a oneness with God through a series of meditative disciplines while locked away in a monastery."--Wikipedia.
