Do you like scary movies? Have you ever wondered why? Nina Nesseth knows what scares you. She also knows why. From monsters that hide in plain sight to tension-building scores, every aspect of a horror film is crafted to make your skin crawl. But how exactly do filmmakers pull this off? The truth is, there's more to it than just loud noises and creepy images. With the affection of a true horror fan and the critical analysis of a scientist, Nesseth explains how audiences engage horror with both their brains and bodies, and teases apart the elements that make horror films tick. *Nightmare Fuel* covers everything from jump scares to creature features, serial killers to the undead, and the fears that stick around to those that fade over time. With in-depth discussions and spotlight features of some of horror's most popular films—from classics like *The Exorcist* to modern hits like *Hereditary*—and interviews with directors, film editors, composers, and horror academics, *Nightmare Fuel* is a deep dive into the science of fear, a celebration of the genre, and a survival guide for going to bed after the credits roll. “An invaluable resource, a history of the horror genre, a love letter to the scary movie—it belongs on any horror reader's bookshelf.” —Lisa Kröger, Bram Stoker Award-winning author of *Monster*, *She Wrote* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Crack'd Pot Trail* Dec 13 2020 It is an undeniable truth: give evil a name and everyone's happy. Give it two names and...why, they're even happier. Intrepid necromancers Bauchelain and Korbal Broach, scourges of civilization, raisers of the dead, reapers of the souls of the living, devourers of hope, betrayers of faith, slayers of the innocent, and modest personifications of evil, have a lot to answer for and answer they will. Known as the Nehemoth, they are pursued by countless self-professed defenders of decency, sanity, and civilization. After all, since when does evil thrive unchallenged? Well, often—but not this time. Hot on their heels are the Nehemothanai, avowed hunters of Bauchelain and Korbal Broach. In the company of a gaggle of artists and pilgrims, stalwart Mortal Sword Tulgord Vise, pious Well Knight Arpo Relent, stern Huntsman Steck Marynd, and three of the redoubtable Chanter brothers (and their lone sister) find themselves faced with the cruelest of choices. The legendary Crack'd Pot Trail, a stretch of harsh wasteland between the Gates of Nowhere and the Shrine of the Indifferent God, has become a tortured path of deprivation. Will honor, moral probity, and virtue prove champions in the face of brutal necessity? No, of course not. Don't be silly. Later the class works together to create sculptures out of one hundred paper cups (Octopus is particularly helpful), and the day becomes as much about self-expression as it is a number--especially when Miss Mingo has the whole class make silly faces for one hundred seconds! In the fourth book of her ingenious series, Jamie Harper invites readers into Miss Mingo's warm, creative classroom for a story inspired by hundredth-day activities in real schools, combining a lively text that integrates fascinating facts about the animals with humorously detailed illustrations that capture the students' excited energy. Readers will easily find one hundred things to love about Miss Mingo's joyful celebration, as well as fun ideas for planning their own.

Further north, a new threat has emerged and now it seems it is the Teblor who are running out of time. Another long-feared migration is about to begin and this time it won't just be three warriors. *Assail* Mar 04 2020 This followup to Ian C. Esslemont's *Blood and Bone* is sure to delight Malazan fans. Tens of thousands of years of ice is melting, and the land of *Assail*, long a byword for menace and inaccessibility, is at last yielding its secrets. Tales of gold discovered in the region's north circulate in every waterfront dive and sailor's tavern, and now countless adventurers and fortune-seekers have set sail in search of riches. All these adventurers have to guide them are legends and garbled tales of the dangers that lie in wait -- hostile coasts, fields of ice, impassable barriers and strange, terrifying creatures. But all accounts concur that the people of the north meet all trespassers with the sword. And beyond are rumoured to lurk Elder monsters out of history's very beginnings. Into this turmoil ventures the mercenary company, the *Crimson Guard*. Not drawn by contract, but by the promise of answers: answers to mysteries that *Shimmer*, second in command, wonders should even be sought. Arriving also, part of an uneasy alliance of Malazan fortune-hunters and *Letherii* soldiery, comes the bard *Fisher kel Tath*. And with him is a *Tiste Andii* who was found washed ashore and cannot remember his past life, yet who commands far more power than he really should. Also venturing north is said to be a mighty champion, a man who once fought for the Malazans, the bearer of a sword that slays gods: *Whiteblade*. And lastly, far to the south, a woman guards the shore awaiting both her allies and her enemies. *Silverfox*, newly incarnated Summoner of the undying army of the *T'lan Imass*, will do anything to stop the renewal of an ages-old crusade that could lay waste to the entire continent and beyond. Casting light on mysteries spanning the Malazan empire, and offering a glimpse of the storied and epic history that shaped it, "*Assail*" is the final chapter in the epic story of the Empire of Malaz. **Midnight Tides** Feb 24 2022 After decades of internecine warfare, the tribes of the Tiste Edur have at last united under the Warlock King of the Hiroth.

There is peace--but it has been exacted at a terrible price: a pact made with a hidden power whose motives are at best suspect, at worst, deadly. To the south, the expansionist kingdom of Lether, eager to fulfill its long-prophesized renaissance as an Empire reborn, has enslaved all its less-civilized neighbors with rapacious hunger. All, that is, save one--the Tiste Edur. And it must be only a matter of time before they too fall--either beneath the suffocating weight of gold, or by slaughter at the edge of a sword. Or so destiny has decreed. Yet as the two sides gather for a pivotal treaty neither truly wants, ancient forces are awakening. For the impending struggle between these two peoples is but a pale reflection of a far more profound, primal battle--a confrontation with the still-raw wound of an old betrayal and the craving for revenge at its seething heart. **Stonewielder** Apr 28 2022 A Novel of the Malazan Empire, Ian C.

Esslemont's *Stonewielder* is an enthralling new chapter in the epic story of a thrillingly imagined world that takes place in the timeline right after Steven Erikson's New York Times bestseller *Dust of Dreams: A Malazan Book of the Fallen*, left off. Greymane believed he'd outrun his past. With his school for swordsmanship in Falar, he was looking forward to a quiet life, although his colleague Kyle wasn't as enamoured with life outside the mercenary company, the Crimson Guard. However, it seems it is not so easy for an ex-Fist of the Malazan Empire to disappear, especially one under sentence of death from that same Empire. For there is a new Emperor on the throne of Malaz, and he is dwelling on the ignominy that is the Empire's failed invasion of the Korel subcontinent. In the vaults beneath Unta, the Imperial capital, lie the answers to that disaster. And out of this buried history surfaces the name *Stonewielder*. In Korel, Lord Protector Hiam, commander of the Stormguard, faces the potential annihilation of all that he holds dear. With few remaining men and a crumbling stone wall that has seen better days, he confronts an ancient enemy: the sea-borne Stormriders have returned. Religious war also threatens these lands. The cult of the Blessed Lady, which had stood firm against the Riders for millennia, now seeks to eradicate its rivals. And as chaos looms, a local magistrate investigating a series of murders suddenly finds himself at the heart of a far more ancient and terrifying crime--one that has tainted an entire land.... For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead. Night of Knives Nov 11 2020 Drawing on events touched on in the prologue of Steven Erikson's landmark fantasy *Gardens of the Moon: A Malazan Book of the Fallen*, *Night of Knives* is the first in Ian C. Esslemont's *Novels of the Malazan Empire* series--a momentous chapter in the unfolding story of the extraordinarily imagined world of Malaz. The small island of Malaz and its city gave the great empire its name, but now it is little more than a sleepy, backwater port. Tonight, however, things are different. Tonight the city is on edge, a hive of hurried, sometimes violent activity; its citizens bustle about, barring doors, shuttering windows, avoiding any stranger's stare. Because tonight there is to be a convergence, the once-in-a-generation appearance of a Shadow Moon--an occasion that threatens the good people of Malaz with demon hounds and other, darker things... It was also prophesied that this night would witness the return of Emperor Kellanved, and there are those prepared to do anything to prevent this happening. As factions within the greater Empire draw up battle lines over the imperial throne, the Shadow Moon summons a far more ancient and potent presence for an all-out assault upon the island. Witnessing these cataclysmic events are Kiska, a young girl who yearns to flee the constraints of the city, and Temper, a grizzled, battle-weary veteran who seeks simply to escape his past. Each is to play a part in a conflict that will not only determine the fate of Malaz City, but also of the world beyond... One final act remains, if it is in her power, if she can hold her army together, if the shaky allegiances she has forged can survive all that is to come. A woman with no gifts of magic, deemed plain, unprepossessing, displaying nothing to instill loyalty or confidence, Tavore Paran of House Paran means to challenge the gods – if her own troops don't kill her first. Awaiting Tavore and her allies are the Forkrul Assail, the final arbiters of humanity. Drawing upon an alien power

terrible in its magnitude, they seek to cleanse the world, to annihilate every human, every civilization, in order to begin anew. They welcome the coming conflagration of slaughter, for it shall be of their own devising, and it pleases them to know that, in the midst of the enemies gathering against them, there shall be betrayal. In the realm of Kurald Galain, home to the long lost city of Kharkanas, a mass of refugees stand upon the First Shore. Commanded by Yedan Derryg, the Watch, they await the breaching of Lightfall, and the coming of the Tiste Liosan. This is a war they cannot win, and they will die in the name of an empty city and a queen with no subjects. Elsewhere, the three Elder Gods, Kilmandaros, Errastas and Sechul Lath, work to shatter the chains binding Korabas, the Otataral Dragon, from her eternal prison. Once freed, she will rise as a force of devastation, and against her no mortal can stand. At the Gates of Starvald Demelain, the Azath House sealing the portal is dying. **Toll the Hounds** Nov 04 2022 A thrilling, harrowing novel of war, intrigue and dark, uncontrollable magic, *Toll the Hounds* is the new chapter in Erikson's monumental series - epic fantasy at its most imaginative and

storytelling at its most exciting. In Darujhistan, the city of blue fire, it is said that love and death shall arrive dancing. It is summer and the heat is oppressive, but for the small round man in the faded red waistcoat, discomfort is not just because of the sun. All is not well. Dire portents plague his nights and haunt the city streets like fiends of shadow. Assassins skulk in alleyways, but the quarry has turned and the hunters become the hunted. Hidden hands pluck the strings of tyranny like a fell chorus. While the bards sing their tragic tales, somewhere in the distance can be heard the baying of Hounds...And in the distant city of Black Coral, where rules Anomander Rake, Son of Darkness, ancient crimes awaken, intent on revenge. It seems Love and Death are indeed about to arrive...hand in hand, dancing. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
