Pillaged Nov 28 2019 I was promised against my will to an empirical general. . .so I escaped. Right into the arms of an even more ruthless Vandar warlord. I'd thought things had been bad when I'd been ordered to marry the repulsive Zagrath general. But then I'd been captured by the empire's most deadly enemy--the Vandar raiders. With their battle kilts and tails, the raiders are known for being fierce warriors who never take prisoners. Until now. The fear I feel when I am taken by the menacing Vandar warlord is confirmed when I discover why he treats me like an honored guest. Taking the general's bride is one thing, but to strike the most personal blow the Vandar must claim me as his, taking me to his bed until his mating marks appear on my skin and mark me as his true mate. But he has no intention of forcing me. He wants to make a deal-become his willingly and I will get what I've always wanted-my freedom from a loveless, arranged marriage. Can I agree to a deal with the darkly dominant warlord who stokes both my fear and desire? Even if being claimed by the Vandar is only revenge for him and freedom for me, will my heart remain untouched as he pillages my body? And even if he lives through what I'm planning, he'll never forgive me for this. I don't blame him. I'll never forgive myself either.

Taken by the Alien Warrior Apr 13 2021 The aliens who stole me made a mistake. The Grivath have sold us on Gule- a planet where hope goes to die. The women who are imprisoned with me are in high demand and they all look like models. Me? I'm 5'2 shy, curvy, and a kindergarten teacher. Maybe they really meant to take my pageant queen sister? If that's not bad enough, our ship has crashed and half of the women are missing. Did I mention the locals want to eat us? Insert the tall, incredibly-built warrior aliens, who saved us. Things are looking up, except that one of them is eyeing me like a snack, and not in a cannibalistic way-- if you catch my drift. Terex is tough, fierce, and bossy, and doesn't seem to understand that I can't stay and be his snuggle bunny. I'm not quite sure why he isn't chasing after one of the other women when every man I've ever known has overlooked me. But not Terex. When he looks at me, he doesn't seem to see chubby, awkward Ellie. And his gaze burns brighter instead of shifting away. Now, I've just got to convince him to help me find the other women and get back to Earth. Should be a piece of cake... Right?

Seduced by the Alien Warrior Jun 03 2020 I made a deal with the devil. Okay, so he's not really the devil, but he may as well be. The Tribe King is gorgeous, arrogant, and devious. He refused to hand over crucial information to help us find our friends until I agreed to stay with him. For a year. As far as I'm concerned, deals made under duress don't count. Anyone who would demand such a thing in exchange for our friends' freedom simply can't be trusted. The problem? Protected by the Alien Space Pirate Oct 20 2021 Being a space pirate doesn't make a being rich, which was why Rhilax was dealing with the biggest crime lord in the ten quadrants against his better judgment. He doesn't know much about the job on offer, but he knows it'll pay for food and supplies for himself and his brothers. Maybe enough to find a nice, quiet planet somewhere, forget about a life of smuggling and finally settle down. He's certainly not prepared when a female slave, none the likes he'd seen before, is led naked, chained and helpless to be his fated mate. He definitely wasn't prepared when he obliterates his dream, along with the crime lord's head, kidnaps the female and makes a target of himself and his brothers - The crime lord has a brother and the brother wants them all dead. When their ship is destroyed, Rhilax and his brothers are blown into the far reaches of the known universe. To make matters worse, the escape pod is wrecked and his fated mate has escaped. Rhilax must find her before the crime lord's thugs, or the unknown creatures on this planet, and complete the bond before his mind is lost to the mating urge. She can't remember her name. Or her life before the cages. Maybe it's better not knowing. Being trapped in a cage and grieving a beautiful life would be the worst kind of torture. She's good at zoning out, but it gets harder and harder to disregard the massive blue-skinned alien who tells her he is her fated mate, whatever that is. All she knows is if she doesn't get away from him, she might never be free again. If you like impossible odds, wilderness planets, blue-skinned aliens and the tension of fated mates, you'll love Protected by the Alien Space Pirate.
