[Back to Venice Jun 02 2020](#) Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and acquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiously and curiously from there. During his stay—which is sometimes zany and sometimes frightening—he meet his hero, Michelangelo, who teaches him the true meaning of art.

[Good Company Jul 28 2022](#) A warm, incisive new novel about the enduring bonds of marriage and friendship from Cynthia D'Aprix Sweeney, author of the instant New York Times bestseller *The Nest*. Flora Mancini has been happily married for more than twenty years. But everything she thought she knew about herself, her marriage, and her relationship with her best friend, Margot, is upended when she stumbles upon an envelope containing her husband's wedding ring—the one he claimed he lost one summer when their daughter, Ruby, was five. Flora and Julian struggled for years, scraping together just enough acting work to raise Ruby in Manhattan and keep Julian's small theater company—Good Company—afloat. A move to Los Angeles brought their first real career successes, a chance to breathe easier, and a reunion with Margot, now a bona fide television star. But has their new life been built on lies? What happened that summer all those years ago? And what happens now? With Cynthia D'Aprix Sweeney's signature tenderness, humor, and insight, *Good Company* tells a bighearted story of the lifelong relationships that both wound and heal us.

[Adventures in Good Company Sep 05 2020](#) Lists companies that arrange outdoor vacation trips for women that feature bicycling, canoeing, fishing, rock climbing, sailing, skiing, scuba diving, surfing, or hiking

[Company of Liars Nov 27 2019](#) The year is 1348 and the first plague victim has reached English shores. Panic erupts around the country and a small band of travellers comes together to outrun the deadly disease, unaware that something far more deadly is—in fact—travelling with them. The ill-assorted company—a scarred trader in holy relics, a conjurer, two musicians, a healer and a deformed storyteller—are all concealing secrets and lies. And at their heart is the strange, cold child—Narigorm—who reads the runes. But as law and order breaks down across the country and the battle for survival becomes ever more fierce, Narigorm mercilessly compels each of her fellow travellers to reveal the truth... and each in turn is driven to a cruel and unnatural death.

[The Good Company Jun 14 2021](#) IN THE GOOD COMPANY, Business Professor Robert Girling shares over 20 inspiring case stories of new as well as established companies and social enterprises from around the world that are making our planet better by meeting human needs of their employees, suppliers and customers. The companies in the book meet the environmental challenge by developing sustainable technologies and production systems. Professor Girling states why we need companies to restore our communities, repair our ecosystems, and provide meaningful work. In plain language, the author explores the nature of companies in today's economy, why we need a new type of corporation, and the organizations leading the movement toward change.

[Good Time Girls of the Alaska-Yukon Gold Rush Jun 22 2019](#) Morgan offers an authentic and deliciously humorous account of the prostitutes and other "disreputable" women who were the earliest female pioneers of the Far North.

[In Good Company Oct 07 2020](#) Ask anyone to tell you about the most memorable meal of their life and they won't give you a chronological playback of what they ate; they'll tell you about how that meal made them feel. Whether it's a last-minute dinner with neighbours, a family feast or a casual summer picnic, Sophie Hansen has done the thinking for you and designed menus featuring 120 recipes that are simple, tasty and perfect for sharing. She also includes ideas for creating a memorable atmosphere for any gathering, large or small, plus advice on how to embrace shortcuts to take the pressure off, so you can focus on enjoying the good times rather than stressing in the kitchen. In *Good Company* is filled with all the recipes and inspiration you need to encourage you to throw open your doors and invite people in, because there's never been a better time to bring people together.

[Beyond Good Company Jan 22 2022](#) The authors have conducted extensive research into the role of business in public life. This book takes a practice-oriented look at corporate citizenship, and uses real, behind the scenes examples from well-known companies to show that for many firms social responsibility is becoming more integrated into corporate strategy.

[Hell and Good Company Feb 20 2022](#) From the Pulitzer Prize-winning and bestselling author of *The Making of the Atomic Bomb*, "The most extraordinary book about the Spanish Civil War ever encountered" (The Washington Post). The Spanish Civil War (1936–1939) inspired and haunted an extraordinary number of exceptional artists and writers, including Pablo Picasso, Joan Miró, Martha Gellhorn, Ernest Hemingway, George Orwell, and John Dos Passos. The idealism of the cause—defending democracy from fascism at a time when Europe was darkening toward another world war—and the brutality of the conflict inspired some of their best work: *Guernica*, *For Whom the Bell Tolls*, *Homage to Catalonia*, *The Spanish Earth*. The war spurred breakthroughs in military and medical technology as well. New aircraft, new weapons, new tactics and strategy all emerged during this time. Progress arose from the horror: the doctors and nurses who volunteered to serve with the Spanish defenders devised major advances in battlefield surgery and frontline blood transfusion. In those ways, and in many others, the Spanish Civil War served as a test bed for World War II, and for the entire twentieth century. From the life of John James Audubon to the invention of the atomic bomb, readers have long relied on Richard Rhodes to explain, distill, and dramatize crucial moments in history. Now, he takes us into battlefields and bomb shelters, into the studios of artists, into the crowded wards of war hospitals, and into the hearts and minds of a rich cast of characters to show how the ideological, aesthetic, and technological developments that emerged in Spain and changed the world forever. "Hell and Good Company is vivid and emotive...thrilling reading" (The Wall Street Journal).

[I Am Not My Hair Jul 04 2020](#) Hairmanigans. Friendship. Big Dreams. The previously scheduled life Maya Hatton planned has been interrupted for an emergency broadcast announcement. A news station manager threatens to destroy over twenty years of brand and image building with a new contract from hell. Her husband Rodreccus moved into the rental property and refuses to move home without explanation. Instead of finding confidence, fun, and freedom as she enters her mid-fifties she's faced with crises. Fans believed she had it all together but her dream team lost a member, a villain hijacked her fairy tale marriage and now she needs to remember how to be the Maya everyone thinks she is or lose the best thing she ever had. Natural Sistahs series is written by an African American author whose chosen her natural hair since 1998. While one of many indie published black authors she considers her books appropriate for the women's fiction category though most would be shelved in the black fiction, black books, African

American women's fiction, or black women's fiction section in most physical bookstores.

Create Your Own Economy Via Network Marketing Jan 28 2020 The story of a young guy who used to struggle with making money from home. After years of struggling, he then learned a simple skill on how to make money with ANY network marketing opportunity and has helped thousands of people earn income all from the comfort of home!

Good Company Dec 21 2021 Originally published in 1951 this book is a study of village system in southern Tanzania, which at the time of publication was thought to be unique. Each village consisted not of a group of kinsmen but an age-set: a group of male contemporaries, together with their wives and young children. The book is concerned with the structure of these villages and the values expressed in them.

Company of One Jan 10 2021 What if the real key to a richer and more fulfilling career was not to create and scale a new start-up, but rather, to be able to work for yourself, determine your own hours, and become a (highly profitable) and sustainable company of one? Suppose the better--and smarter--solution is simply to remain small? This book explains how to do just that. Company of One is a refreshingly new approach centered on staying small and avoiding growth, for any size business. Not as a freelancer who only gets paid on a per piece basis, and not as an entrepreneurial start-up that wants to scale as soon as possible, but as a small business that is deliberately committed to staying that way. By staying small, one can have freedom to pursue more meaningful pleasures in life, and avoid the headaches that result from dealing with employees, long meetings, or worrying about expansion. Company of One introduces this unique business strategy and explains how to make it work for you, including how to generate cash flow on an ongoing basis. Paul Jarvis left the corporate world when he realized that working in a high-pressure, high profile world was not his idea of success. Instead, he now works for himself out of his home on a small, lush island off of Vancouver, and lives a much more rewarding and productive life. He no longer has to contend with an environment that constantly demands more productivity, more output, and more growth. In Company of One, Jarvis explains how you can find the right pathway to do the same, including planning how to set up your shop, determining your desired revenues, dealing with unexpected crises, keeping your key clients happy, and of course, doing all of this on your own.

The Good Company Feb 08 2021 The Good Company tells the stories of over 30 inspiring companies around the world that are among the ethical leaders in the industry. The broad positive message is encouraging and enervating; each of the companies seeks to live up to the highest standard. The authors tell the steps they have taken and what has motivated them or enabled them to pursue such noble aims. "At last, a book that tackles the topic of sustainability in the global travel industry, but with a real understanding of its economic importance as a better alternative - a must read."--Michael McCloskey, Former Chairman, The Sierra Club "This much-needed work is essentially a cookbook, filled with inspiring recipes for sustainable travel. This will be a valuable resource - for everyone from students to industry leaders - for many years to come."--Jeff Greenwald, Executive Director, Ethical Traveler

In Good Company Oct 19 2021 It may be the oldest profession, but it doesn't have to be the worst. In this groundbreaking guide for both complete beginners and seasoned professionals, industry insider Kay Good explains how to make sex-work work for you.

Good Company Dec 29 2019

In Good Company Aug 05 2020 Publisher Fact Sheet Examines the nature of human interaction within organizations & identifies social capital as a means of breeding employee satisfaction & economic gain.

Good Company Aug 29 2022 Good Company: A Tramp Life, is a vivid portrait of a lifestyle long part of America's history, yet rapidly disappearing. The author traveled extensively by freight train to gain rich insights into the elusive world of the tramp. Richly illustrated with 85 photographs by the author, the book presents the homeless man as an individual who "drank, migrated, and worked at day labor" rather than the stereotype of a victim of alcoholism. The tramps with whom Harper shared boxcars and hobo jungles were the labor force that harvested the crops in most of the apple orchards in the Pacific Northwest. They were drawn to the harvest from across the United States and migrated primarily on freight trains, as had hobos in the 1930s. Although not without its problems, the tramp way of life is a fierce and independent culture that has been an integral part of our American identity and an important part of our agricultural economy. Since the first edition of this classic book was published by the University of Chicago Press, the tramp has virtually disappeared from the American social landscape. The agricultural labor force is now made up of Hispanic migrants. This significantly revised and updated edition contrasts this disappearing lifestyle with the homelessness of the modern era, which has been produced by different economic and sociological forces, all of which have worked against the continuation of the tramp as a social species. The new edition richly documents the transition in our society from "tramps" to urban homelessness and the many social, political, and policy changes attendant to this transformation. It also includes an additional thirty-five previously unpublished photographs from the original research.

A Little Love & Good Company Apr 12 2021 The renowned actress recalls her youth, her love for Rupert Brooke, key moments in her distinguished career, and her encounters with notable literary and theatrical figures

Speak Nothing of the Dead But Good May 14 2021 In a time when money is scarce and there is mounting public pressure to win the war on drugs, states are forced to explore controversial solutions. In William C. Harris Jr.'s revolutionary new book, Speak Nothing of the Dead But Good, the State of Georgia turns to a shadowy company called Executive Outcomes to create the first drug colony on U.S. soil. Fans of Harris' previous books will see their favorite characters taken to a place where they have never gone before. Prepare for a ride filled with death and despair, faith and redemption, all on the mysterious island of Ossabaw.

The Nest Jun 26 2022 A warm, funny and acutely perceptive debut novel about four adult siblings and the fate of the shared inheritance that has shaped their choices and their lives. Every family has its problems. But even among the most troubled, the Plumb family stands out as spectacularly dysfunctional. Years of simmering tensions finally reach a breaking point on an unseasonably cold afternoon in New York City as Melody, Beatrice, and Jack Plumb gather to confront their charismatic and reckless older brother, Leo, freshly released from rehab. Months earlier, an inebriated Leo got behind the wheel of a car with a nineteen-year-old waitress as his passenger. The ensuing accident has endangered the Plumbs' joint trust fund, "The Nest," which they are months away from finally receiving. Meant by their deceased father to be a modest mid-life supplement, the Plumb siblings have watched The Nest's value soar along with the stock market and have been counting on the money to solve a number of self-inflicted problems. Melody, a wife and mother in an upscale suburb, has an unwieldy mortgage and looming college tuition for her twin teenage daughters. Jack, an antiques dealer, has secretly borrowed against the beach cottage he shares with his husband, Walker, to keep his store open. And Bea, a once-promising short-story writer, just can't seem to finish her overdue novel. Can Leo rescue his siblings and, by extension, the people they love? Or will everyone need to reimagine the futures they've envisioned? Brought together as never before, Leo, Melody, Jack, and Beatrice must grapple with old resentments, present-day truths, and the significant emotional and financial toll of the accident, as well as finally acknowledge the choices they have made in their own lives. This is a story about the power of family, the possibilities of friendship, the ways we depend upon one another and the ways we let one another down. In this tender, entertaining, and deftly written debut, Cynthia D'Aprix Sweeney brings a remarkable cast of characters to life to illuminate what money does to relationships, what happens to our ambitions over the course of time, and the fraught yet unbreakable ties we share with those we love.

Your House, Your Choice Aug 24 2019 Important information about the sale of this book: 100% of the net proceeds from the sale of the first half a million copies sold will be donated to The Salvation Army to help Canadians in need. Is Your House Older? Do you keep having the feeling hanging over your head about whether your house is solid or it could actually cave in on you any day? What would it be like to have the total confidence that whatever is going on with your house, you are fully prepared to sleep like a baby at night? Re' Peters takes you through the different processes in your older house that take place right under your nose and how to be in the driver's seat to take full control. An expert Real Estate entrepreneur with direct experience buying and selling millions of dollars' worth of houses since 2008, he sees time and again how house owners are being talked into something that may not apply to their situation but yet have a very drastic effect on their biggest financial investment. Through stories and real practical tips, he walks you through and through on just about everything pertaining to your older house. In these pages you'll discover: - How to identify and slow down the aging process of your house - Ways to protect your house with some simple maintenance - How to successfully deal with contractors (including a way to save some money on renovation costs) - Things to know about choosing a good Real Estate Agent (things that you've probably never heard about) - How to deal with Potential buyers like you've done it a thousand times before. - much more... This is your house and it is your choice but not all choices will take you where you want to end up. If you want to take full control over your older house and not the other way around, this is the book for you. Scroll Up to Download FREE now with Kindle Unlimited or click the orange buy button to start reading TODAY!

Good Company Oct 31 2022 AN INSTANT NEW YORK TIMES BESTSELLER A Read with Jenna Today Show Book Club Pick! "Plumbs the depths of marriage, motherhood and friendship with warmth and wit. I devoured it in one gulp!" —Maria Semple A warm, incisive new novel about the enduring bonds of marriage and friendship from Cynthia D'Aprix Sweeney, author of the instant New York Times bestseller The Nest Flora Mancini has been happily married for more than twenty years. But everything she thought she knew about herself, her marriage, and her relationship with her best friend, Margot, is upended when she stumbles upon an envelope containing her husband's wedding ring—the one he claimed he lost one summer when their daughter, Ruby, was five. Flora and Julian struggled for years, scraping together just enough acting work to raise Ruby in Manhattan and keep Julian's small theater company—Good Company—afloat. A move to Los Angeles brought their first real career successes, a chance to breathe easier, and a reunion with Margot, now a bona fide television star. But has their new life been built on lies? What happened that summer all those years ago? And what happens now? With Cynthia D'Aprix Sweeney's signature tenderness, humor, and insight, Good Company tells a bighearted story of the lifelong relationships that both wound and heal us. A Most Anticipated Book From: OprahMag.com \* Refinery29 \* Houston Chronicle \* The Millions \* Elle \* Buzzfeed

Sequencing Jul 24 2019 Watson and Crick discovered the human DNA. What made the difference was deciphering it. Like the human body, every organization has a DNA. What will make the difference is not seeing it, but sequencing it. It's the key to long-term success at innovation. Sequencing, written by business consultant Michael Metzger, explores what is required for a company to develop a culture that promotes innovation for the long haul. Harvard's Clayton Christensen reports that few companies have the capacity to innovate. The more success a company achieves, the harder it is for the company to innovate. And yet the reality is that companies innovate or die. Metzger outlines the steps necessary to sustain innovation - the culture, conscience, and C-level leadership required. It begins by having an accurate assessment of human nature and reality. Institutional leaders ignore this book at their peril.

Rural Rides Dec 09 2020 Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Good to Great Sep 17 2021 The Challenge Built to Last, the defining management study of the nineties, showed how great companies triumph over time and how long-term sustained performance can be engineered into the DNA of an enterprise from the very beginning. But what about the company that is not born with great DNA? How can good companies, mediocre companies, even bad companies achieve enduring greatness? The Study For years, this question preyed on the mind of Jim Collins. Are there companies that defy gravity and convert long-term mediocrity or worse into long-term superiority? And if so, what are the universal distinguishing characteristics that cause a company to

go from good to great? The Standards Using tough benchmarks, Collins and his research team identified a set of elite companies that made the leap to great results and sustained those results for at least fifteen years. How great? After the leap, the good-to-great companies generated cumulative stock returns that beat the general stock market by an average of seven times in fifteen years, better than twice the results delivered by a composite index of the world's greatest companies, including Coca-Cola, Intel, General Electric, and Merck. The Comparisons The research team contrasted the good-to-great companies with a carefully selected set of comparison companies that failed to make the leap from good to great. What was different? Why did one set of companies become truly great performers while the other set remained only good? Over five years, the team analyzed the histories of all twenty-eight companies in the study. After sifting through mountains of data and thousands of pages of interviews, Collins and his crew discovered the key determinants of greatness -- why some companies make the leap and others don't. The Findings The findings of the Good to Great study will surprise many readers and shed light on virtually every area of management strategy and practice. The findings include: Level 5 Leaders: The research team was shocked to discover the type of leadership required to achieve greatness. The Hedgehog Concept (Simplicity within the Three Circles): To go from good to great requires transcending the curse of competence. A Culture of Discipline: When you combine a culture of discipline with an ethic of entrepreneurship, you get the magical alchemy of great results. Technology Accelerators: Good-to-great companies think differently about the role of technology. The Flywheel and the Doom Loop: Those who launch radical change programs and wrenching restructurings will almost certainly fail to make the leap. "Some of the key concepts discerned in the study," comments Jim Collins, "fly in the face of our modern business culture and will, quite frankly, upset some people." Perhaps, but who can afford to ignore these findings?

Good Company Sep 29 2022 Laurie Bassi and her coauthors show that despite the dispiriting headlines, we are entering a more hopeful economic age. The authors call it the "Worthiness Era." And in it, the good guys are poised to win. Good Company explains how this new era results from a convergence of forces, ranging from the explosion of online information sharing to the emergence of the ethical consumer and the arrival of civic-minded Millennials. Across the globe, people are choosing the companies in their lives in the same way they choose the guests they invite into their homes. They are demanding that companies be "good company." Proof is in the numbers. The authors created the Good Company Index to take a systematic look at Fortune 100 companies' records as employers, sellers, and stewards of society and the planet. The results were clear: worthiness pays off. Companies in the same industry with higher scores on the index—that is, companies that have behaved better—outperformed their peers in the stock market. And this is not some academic exercise: the authors have used principles of the index at their own investment firm to deliver market-beating results. Using a host of real-world examples, Bassi and company explain each aspect of corporate worthiness and describe how you can assess other companies with which you do business as a consumer, investor, or employee. This detailed guide will help you determine who the good guys are—those companies that are worthy of your time, your loyalty, and your money.

Good Company Jul 16 2021 In a highly competitive world, many think business success means being ruthless: maximising short-term return for shareholders, cutting overheads, crushing competition, and expanding at an exponential pace. Nothing says this more than Silicon Valley with its macho mantras like 'Move fast and break things' (Facebook) or 'We're a team not a family' (Netflix). But this model is looking increasingly flawed. What if there were another more compassionate way? Julietta Dexter believes there is. In this powerful and hopeful book, the award-winning CEO of The Communications Store explains how she built one of the world's most respected PR & communications companies without compromising her morals and without screwing over her staff or her clients. Highlighting a new paradigm for business, she explains why profit should be just one consideration among several, and why honesty, reliability and diversity are the best foundations for long-term success.

In Great Company: How to Spark Peak Performance By Creating an Emotionally Connected Workplace Aug 17 2021 Drive long-term profits and growth by making the company a place your employees love. In Great Company presents a practical approach to ensure that your employees perform at their highest possible levels. It's not about increasing salaries, offering huge bonuses, or investing in the latest employee engagement tools. The real answer is simpler, deeper, and longer-lasting: getting your people to love where they work. Founder and CEO of one of today's top leadership development firms, Best Practices Institute, Louis Carter takes you step by step through the process of building a lasting emotional connection between your staff and your company. Carter's proven strategy is founded on five key principles: collaboration, optimism, values, respect, and performance. Fuse them together, and your company will be the envy of your industry. This groundbreaking guide provides everything you need to create an environment where people have a strong sense of belonging—a place where people finally feel like they're part of something big, where employees want to work collaboratively and creatively, where your staff and your company grow together. Bridge the engagement gap by ensuring that every member of your team spends their entire work day in great company.

In the Company of Women May 02 2020 New York Times Bestseller "I want to rip out every page of this glorious book and hang them on my wall so that I can be surrounded by these incredible women all day long." —Emma Straub, New York Times bestselling author of The Vacationers and Modern Lovers Over 100 exceptional and influential women describe how they embraced their creative spirit, overcame adversity, and sparked a global movement of entrepreneurship. Media titans and ceramicists, hoteliers and tattoo artists, comedians and architects—taken together, these profiles paint a beautiful picture of what happens when we pursue our passions and dreams.

Pour Your Heart Into It Nov 07 2020 In Pour Your Heart Into It, former CEO and now chairman emeritus Howard Schultz illustrates the principles that have shaped the Starbucks phenomenon, sharing the wisdom he has gained from his quest to make great coffee part of the American experience. The success of Starbucks Coffee Company is one of the most amazing business stories in decades. What started as a single store on Seattle's waterfront has grown into the largest coffee chain on the planet. Just as remarkable as this incredible growth is the fact that Starbucks has managed to maintain its renowned commitment to product excellence and employee satisfaction. Marketers, managers, and aspiring entrepreneurs will discover how to turn passion into profit in this definitive chronicle of the company that "has changed everything... from our tastes to our language to the face of Main Street" (Fortune).

In Good Company Mar 24 2022 James Martin takes readers on a journey from his Catholic childhood through his success and ultimate dissatisfaction with the business world, to his novitiate and profession of vows as a Jesuit.

In Good Company Oct 26 2019 Corbin Tomaszewski is a chef with a unique vision: to bring meaning back to the world of food. Whether a reputable chef in Toronto, or hosting popular Food Network shows "Dinner Party Wars," "Restaurant Makeover," and "Restaurant Takeover," Chef Corbin loves to communicate through food. In Good Company places emphasis on gatherings with friends and family. From Corbin's traditional Baba's pierogis and the Tomaszewski Family Borscht to Four Season Tartines and Fennel-and-Pistachio-Crusted Lamb Rack, this beautifully designed cookbook features more than 100 simple and delicious recipes that are rooted by his Polish-Canadian upbringing in rural Alberta and informed by his experience as a seasoned chef. In his trademark friendly style and with an emphasis on ingredients that can be found across the country, Corbin shows readers how to celebrate the joys of sharing meals and nurture everyday connections with friends and family.

In Such Good Company May 26 2022 In this New York Times bestseller, comedy legend Carol Burnett tells the hilarious behind-the-scenes story of her iconic weekly variety series, The Carol Burnett Show. In In Such Good Company, Carol Burnett pulls back the curtain on the twenty-five-time Emmy-Award winning show that made television history, and she reminisces about the outrageously funny and tender moments that made working on the series as much fun as watching it. Carol delves into little-known stories of the guests, sketches and improvisations that made The Carol Burnett Show legendary, as well as some favorite tales too good not to relive again. While writing this book, Carol rewatched all 276 episodes and screen-grabbed her favorite video stills from the archives to illustrate the chemistry of the actors and the improvisational magic that made the show so successful. Putting the spotlight on everyone from her costars to the impressive list of guest stars, Carol crafts a lively portrait of the talent and creativity that went into every episode. With characteristic wit and incomparable comic timing, she details hiring Harvey Korman, Vicki Lawrence, Lyle Waggoner, and Tim Conway; shares anecdotes about guest stars and close friends, including Lucille Ball, Roddy McDowell, Jim Nabors, Bernadette Peters, Betty Grable, Steve Lawrence, Eydie Gorme, Gloria Swanson, Rita Hayworth, and Betty White; and gives her take on her favorite sketches and the unpredictable moments that took both the cast and viewers by surprise. This book is Carol's love letter to a golden era in television history through the lens of her brilliant show. Get the best seat in the house for "eleven years of laughter, mayhem, and fun in the sandbox."

Built to Last Nov 19 2021 Drawing upon a six-year research project at the Stanford University Graduate School of Business, James C. Collins and Jerry I. Porras took eighteen truly exceptional and long-lasting companies and studied each in direct comparison to one of its top competitors. They examined the companies from their very beginnings to the present day -- as start-ups, as midsize companies, and as large corporations. Throughout, the authors asked: "What makes the truly exceptional companies different from the comparison companies and what were the common practices these enduringly great companies followed throughout their history?" Filled with hundreds of specific examples and organized into a coherent framework of practical concepts that can be applied by managers and entrepreneurs at all levels, Built to Last provides a master blueprint for building organizations that will prosper long into the 21st century and beyond.

In Good Company (A Class of Their Own Book #2) Apr 24 2022 "Turano continues to be one of the funniest voices in the inspirational genre, and her spunky heroines will appeal to readers across the romance spectrum."--Booklist After growing up as an orphan, Millie Longfellow is determined to become the best nanny the East Coast has ever seen. Unfortunately, her playfulness and enthusiasm aren't always well-received and she finds herself dismissed from yet another position. Everett Mulberry has quite unexpectedly become guardian to three children that scare off every nanny he hires. About to depart for Newport, Rhode Island, for the summer, he's desperate for competent childcare. At wit's end with both Millie and Everett, the employment agency gives them one last chance--with each other. As Millie falls in love with her mischievous charges, Everett focuses on achieving the coveted societal status of the upper echelons. But as he investigates the suspicious circumstances surrounding the death of the children's parents, will it take the loss of those he loves to learn whose company he truly wants for the rest of his life?
